Professional Gardener & Horticulture Specialist

✉️ l.graceharvey@gmail.com ⚙️ Wellington, New Zealand

## Professional Summary

I'm a dedicated and passionate gardener with over 7 years of professional experience in horticulture, garden maintenance, and soft landscaping. Having worked both independently as a business owner and as part of professional teams, I understand what it takes to manage and execute gardening and landscaping projects to a high standard.

My work stems from a genuine obsession with horticulture and the physical nature of the work. I've successfully managed gardens for residential properties, commercial sites, and prestigious locations including Parliament and Victoria University. I pride myself on fostering positive client relationships, delivering quality results, and maintaining high standards across all aspects of garden care.

I'm eager to continue learning and growing in the industry by exposing myself to diverse projects and challenging work. Whether working independently or as part of a team, I bring dedication, horticultural knowledge, and a strong work ethic to every project.
